

Shincliffe PC Community Engagement Action Plan 2018-19.

Issue identified	Planned action	Review date	Completion date	Budget £	Outcome / update
1 Parish benches. Some reported to be in a poor state of repair.	All benches are safe but some nearing replacement. Full maintenance of benches not repaired in 16/17 to be completed. Some replacement benches scheduled for 2018	01/18	09/18	250	
2. Refurbishment of the Church / community hall. Request from the PCC to provide support.	Member of the PC to continue to attend relevant meetings.	01/18	07/18	1,000	
3. Village park. Request from the CA to support the redevelopment of the Village park	Member of the PC to continue to attend relevant meetings. Donation to be given to help meet redevelopment costs and to help gain further matched funding if possible.	01/18	07/18	1,000	
4. Charity requests. Charitable donations to good causes in the community.	Continue to receive requests. PC to make a decision twice a year on making suitable donations as appropriate	01/18	07/18	1,000	
5. Flower beds. Residents continue to strongly support the development and maintenance of entrance beds.	New beds to be developed at the white roadside gates. Creation of a wild flower 'meadow' at the A177 entrance to the Parish.	01/18	09/18	1,000	
6. Strong support expressed by residents to continue to use sustainable planting in flower beds.	All sustainable beds now well established. Larger plants will be divided to provide planting for new and existing beds.	05/18	09/18	500	

7. Resident and school support for the community gardening initiative is strong and new suggestions have been made.	Autumn and spring community gardening days to be planned. A new mini orchard to be planted in the school grounds. Continued involvement of groups of pupils from the school in suitable schemes.	12/17	0518 07/18	300	
8. Identity of councillors. Residents are unsure as to the identity of PC members	Print photographs of councillors in SCAN and on notice boards.	01/18		50	
9. Communication. Residents have expressed a strong preference for the PC to communicate via SCAN.	PC to continue to support the publication costs of SCAN and to provide relevant articles for each issue. A new 'community engagement' page to elicit residents' views and opinions to be included in issues of SCAN from 2018.	11/17 04/18 07/18	07/18	250	
10. Speeding traffic is still a major concern to residents.	Continue to liaise with DCC and the County Councillor on road calming strategies. Installation of rumble strips and better signage where appropriate is planned by DCC	01/18	07/18	tbc	
11. Village residents have expressed concerns over the likely increase in the numbers of cars parking in Low Row in the near future because of developments at Maiden Castle.	Liaise with the County Councillor and DCC Continue to express objections to DC Planning dept. over failure of the University to provide adequate parking for events and to try and encourage the University to provide more on-site parking.	01/18	07/18	n/a – DCC cost	
12. Parking. Unsafe, irresponsible and illegal parking associated with school drop-off	DCC planning to use double yellow lines and white lines in Heathway and Beal Walk to control parking.	01/18	07/18	n/a – DCC cost	

and pick-up is a major concern of residents.	The new PCSO will re-establish the school mini police with a focus on parking issues. The PCSO will make an occasional patrol and issue enforcement fines if appropriate.				
13. Litter. Residents often complain about the amount of litter accumulating in the area.	PC to continue to organise community litter picks twice per year. Residents who have expressed an interest in being involved to be contacted and the events publicised in SCAN and on noticeboards.	10/17	05/18	n/a	
14. Neighbourhood watch. Many residents have expressed an interest in joining a scheme.	The PC will liaise with the new PCSO to investigate possibilities of establishing a NW or alternative.	01/18	07/18	n/a	
15. Footpath obstruction. Residents regularly complain about overhanging branches obstructing footpaths.	PC to liaise with DCC to issue notices requiring householders to cut back obstructing foliage	01/18	07/18	500	
16. Dangerous cycling on footpath. Several residents have complained about the danger to pedestrians using the 'black path' caused by speeding cyclists and motor cyclists.	PC to liaise with DCC to have better signage prohibiting cycling/ motor cycling installed. Bollards to be erected at each end of the path to restrict access to bikes.	01/18	07/18	n/a – DCC cost
